Dear Musky Clubs Alliance:

I am unbelievably grateful for your donation and for helping me continue my education at UWSP. Your support will make a tremendous difference in my ability to finance my education and devote more time to focusing on my coursework.

As someone who has been a musky fisherman nearly my entire life, receiving this scholarship is especially meaningful. It has already eased a great deal of stress as I look ahead to the upcoming semesters. Being a junior here at UWSP, this support also gives me more freedom to explore future career opportunities and prepare for my path in Fisheries. Thank you again for your generosity. I hope that one day I will be in a position to help a student just as you have helped me.

Thank you.
