

University of Wisconsin-Stevens Point

College of Natural Resources

Dear Musky Clubs Alliance,

I am writing to thank you for awarding me the \$1,000 Musky Clubs Alliance of Wisconsin, Inc. Scholarship. I am honored to be selected as a recipient and truly appreciate your generosity.

I am currently a junior pursuing a bachelor's degree in Fish and Aquatic Science, with plans to graduate in the spring of 2027. This scholarship help out with the financial burden of school, allowing me to focus on my coursework while also dedicating time to research. With your support, I can be more prepared for my future career by doing more fieldwork and research projects.

The financial assistance provided by this scholarship will allow me to take advantage of more research and networking opportunities. Instead of worrying about working extra hours, I can dedicate more time focused on my class work. I am particularly interested in studying fish movement patterns and the recruitment rates of stocked fish.

Thanks to your support, I am one step closer to achieving my goal of becoming a fisheries professional. Your generosity has made a meaningful difference in my education, and I am truly grateful.

Sincerely,
Simon Bienvenue
